MAIN CHALLENGE

The main challenge is to create more opportunities on the labour market for Youth

We propose to attend the guidelines of the Social Network of Gondomar regarding to the structural youth unemployment, which are our objectives.

OUR OBJECTIVES

a) Forward the young unemployed to specific local responses;
b) Coordinate with the entire educational community and the
Center of Employment of Gondomar to the diversification of
training supply;

c) Encourage entrepreneurship among disadvantaged groups;d) Investing in education and training to improve certain typeskills on our local youth.

OUR MOTIVATION IN JOBTOWN

- This project is an opportunity through our LSG to get a cohesive policy in our local community;
- 2. Is also an opportunity through this partnership to share good practices with different European countries with a common problem;
- It's also an occasion to work some "fitness" in our YOUTH, something that European Commission call the Essential Skills for Lifelong Learning (Social and civic competences; Initiative and entrepreneurship; or Learning to learn, etc.);
- Important moment for raise awareness among local entrepreneurs to a common problem and benefit an opportunity to improve their human resources;
- 5. Acquisition of belonging to a wider group that is Europe.
