

LC – FACIL

Meeting Göteborg – City Example Malmö

Karolin Pannike

Stockholm, 25.11.2009

LC-FACIL

a working group to facilitate the implementation of integrated, sustainable urban development according to the Leipzig Charter

AN URBACT II PROJECT

Connecting cities
Building successes

Malmö's documents on sustainability

- › Malmö's overview plan - (overarching) social or economic nature
- › Accompanied by Environmental Programme for ecological aspect
- › Malmö – Making Sustainability Reality

Malmö's Overview Plan 2005

Malmö's overall vision:

- › serve as an attractive city for residents, businesses and visitors.
- › become an important part of the Öresund region (between Denmark and Sweden),
- › European and global city with strong networks and learning,
- › a city that focuses on knowledge and education,
- › a city that supports stable employment and business innovation,
- › ecologically appropriate housing in an overall clean and healthy environment,
- › rich with recreational opportunities.

Part 1: Timeline for Municipal Decisions

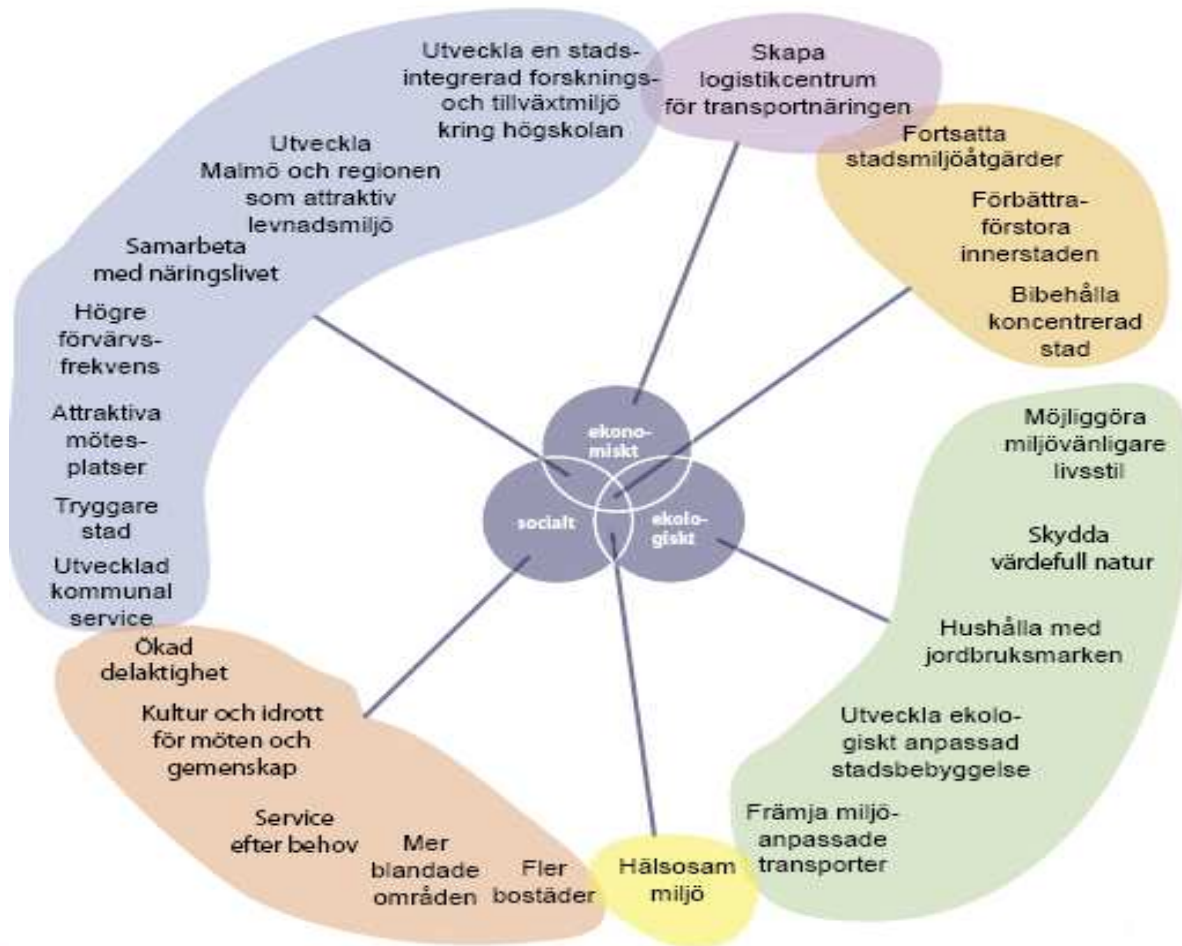

Part 2: Updates to the plan and modifications since the Master Plan of 2000

Part 3: Strategies and guidance for implementation.

Specific goals in the plan include: city-district strategies / collective and individual welfare / attractiveness and sustainability / land / goals concerning accommodation and housing, business and jobs, green spaces, traffic and environment and risk factors.
