

Interesting Places and Strange Ideas in Urban Europe

Slide-show challenge

compiled by Iván Tosics

Metropolitan Research Institute, Budapest

URBACT Thematic Pole Manager, Paris

OPEN DAYS OF THE REGIONS

BRUSSELS

8 October 2013, 13.30-14.30

**Committee of the Regions, Rue Belliard 101,
Jacques Delors building, 6th floor**

Would you like to test how much you know about European cities and urban innovations? Join our creative and funny slide contest : challenge yourselves and your mates guessing about EU capitals, famous buildings, urban development ideas, contradictions of urban regeneration, urban transport novelties, social processes.

The contest is lively and visual : we will project pictures and collect the answers. Winners will be announced by name and rewarded with small presents.

No one loses anything, everyone can learn a lot!
