## ARRIVAL CITIES NETWORK, FINAL CONFERENCE

**Co-creating for better inclusion of migrants  
and refugees**

The issue of migration and integration as risen to the top of the EU Agenda, ARRIVAL CITIES is a network of cities from Finland, France, Germany, Greece, Italy, Latvia, Portugal and Spain who have been sharing experiences and developing responses to what is an unprecedented development. The final event will share the results of its work and highlight the challenges that cities face.
